

QuesCom & CT3 Europe signs distribution agreement for Ireland and UK.

Sophia Antipolis, France, Monday, 12th April 2010:

QuesCom, the leading technology vendor of innovative Enterprise One Number solutions, today announced that it has signed a distribution agreement with CT3 Europe, a leader in Technology Building Blocks, Solutions & Services for Converged Communication & CTI Marketplace) in Ireland and United Kingdom.

Under the terms of the agreement CT3 Europe will distribute QuesCom's entire product range throughout Ireland and United Kingdom.

The contract will enable QuesCom to enter customer market through CT3 Europe's trusted base of customers. CT3 Europe will supply QuesCom with value-added channels in the market and best-in-class logistical, presales and post sales support.

"QuesCom wanted to get a sharp partner to bring the Enterprise One Number solution on the English market. Thanks to their strong expertise and market knowledge, CT3 Europe entirely met our criteria to be our Value-Added Distributor. CT3 Europe will help accelerate our growth and development." states Vincent Brault Sales & Marketing Director for QuesCom.

Tim Farrelly, CEO of CT3 Europe explained "we are delighted to be working with QuesCom and see a massive opportunity for this exciting product line given the current economic situation. QuesCom products are designed to help companies reduce costs, increase productivity and enhance customer service. They are also certified with all of the major IP-PBX vendors and have a proven track record in the enterprise sector."

About QuesCom

European company founded in 1999, QuesCom designs enhanced telephony solutions focusing on the fixed mobile convergence for enterprises and service providers. Natively ready for Voice over IP, QuesCom solutions leverage the current telecommunication system.

QuesCom Appliances allow companies to realise up to 50% savings on their telephone bill and benefit from a range of value-added services like mobility and fax designed to increase efficiency in corporate communications (one number, mobile extension, e-fax, unified messaging system).

QuesCom is a leading player on the markets of VoIP-mobile convergence and Telecom application solutions and a member of Forum Nokia PRO, Nokia's advanced developer program. The company has more than 300 European resellers and is a certified member of major PBX vendor programs as 3COM, Aastra Matra, Alcatel, Avaya, Cisco, Innovaphone, Mitel & Swyx.
